OUR CLIENTS

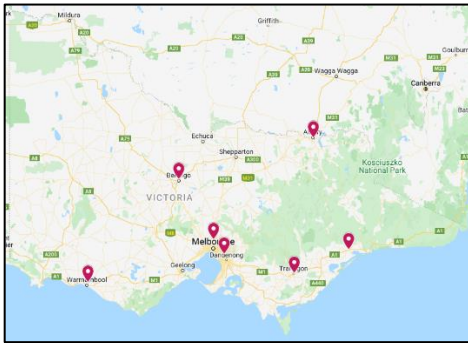

Protective and Safety Services currently undertakes a range of services including nationally recognised training for companies that consider safety their priority. Listed are just a few of the prestigious companies we work in partnership with to provide 'Boutique Solutions'

WHY CHOOSE PASS?

Here are 5 reasons why you should choose Protective and Safety Services for all of your safety training and safety consultancy requirements:

1. LOCAL TRAINING ACADEMY AND CENTRE OF EXCELLENCE

PASS have established a training academy to compliment the workplace learning experience of the learners. This Training Academy is supported by our Centre of Excellence locations which enable students to be able to be assessed in real time operating settings applying the skills they learn in an operating workplace.

We have 7 locations across Victoria that support our Centre of Excellence, or we can attend a clients site to undertake the Training and Assessment.

2. NATIONALLY ACCREDITED TRAINING

All of our training courses are nationally recognised through the Australian Qualifications Training Framework and are recognised in all States and Territories of Australia. We are aligned with All States Training (RT0:32577) that has government authority to deliver accredited training.

3. OUR EXPERIENCE.

All of our trainers are subject matter experts and/or safety professionals. Our personnel pride themselves on lived experience and can relate their decades of experience to all training in an enthusiastic and professional manner.

4. WE PRIORITISE OUR CLIENTS AND PROVIDE FLEXIBILITY FOR TRAINING OPTIONS.

Our team prioritises the interests and requirements of our clients first in every instance. We have the ability to fly our personnel around Australia to meet the needs of our clients at short notice. We will take the time to learn about your organisation, your safety procedures and your equipment. We will tailor our training delivery directly to your requirements. We can deliver training at your site (and provide an extensive range of equipment), or alternatively, we can deliver training at one of our training centres.

5. WE DELIVER!

We pride ourselves on providing a first class experience every time. Our team will prioritise your requirements and deliver as agreed upon to the highest standard. Our friendly administration team will take the hassle out of booking training and process all paperwork in a timely manner.

We currently work with some of Australia's largest and most prestigious organisations as well as many reputable small businesses. Our company prides itself on delivering high quality training each and every time.
